Approved without objection.

Chair's Announcement(Greene)

xFollowing our last meeting, we had a conversation in FSEC **about** fund the compensation investment planSalary Equity's role is to make recommendation garding a plan; it's the administration's role to determine what is attainable and how to get there.

DISCUSSION:

- o There needs to be a largeniversity wide discussion of university finances going forward
- o The BOT will have an informal discussion of the compensation topic at their meeting this Friday The Finance & Audit Committee will takenare specific look at their meeting in November.
- o Members discussed how to present the plan to **#de**ninistration and BOT in such a way to illustrate the need for salary investment while expressing the understanding/theat goalsmay not be achievable every year depending on financial constraints.
- o Messaigng must also be clear to faculty in explaining the plan and the kind of investment required over time; we don't want to set campus members up with unrealistic expectations.

Unfinished Business

xCompensatiorinvestment plan

o The committee eviewedthe latest draft from Parks

fModel options: All at once Three years at 6% Five years at 4.5%

*f*Uses assumption of 1.5% increase annually for peers

fClassified staff raises estimated3% per year

flncludes fringe benefit adjustments

fTotalfive-yearcost approximatel \$25 million

DISCUSSIOSee also discussion under chair's announcement

- o When bringing the plan to Senate, and for two meetings to discuss and then vote on the plan.
- o There may be optential benefits to giving larger raises up front, in the early year(s) of the plan.
- o The committee will work oprafting a rational and providing examples

xAdjunct/Overload pay rates

- o The committee briefly reviewed the proposed changes which include:
 - fConsistencyn publishedpayratesacross collegeand
 - fFlexibility within colleges to pay adjunctsore in some areassased on market rates

xSabbatical discussin

- o Membersdiscussed issues surrounding sabbatidatsuding replacement costind impacts on units
- o The committee determined there is no action to take at this time.

xFunding for promotional increases

- o The committee reviewed proposed policy change for 33701(1) to specify the funding for promotional increases in be budgeted separately from the pay increase pool.
- o The addition would be part of-**3**-701(1)(c)(I):
- (I) The salary increase monies available for distribution (saladyben efits) will be determined through the annual budget setting process. Monies to fund promotional increases will be budgeted separately and not deducted from the identified pay increase pool.

o Fischer asked that the topic be moved to the top of the agenda for the next meeting
