Purpose/Rationale:

The narrative additions/edits below are recommended to provide clarity around UNC's current degree conferral process practice as a *standard* term institution, operating on a semester system. In addition, with the current and potential future addition of carousel/block program formats, it's important to provide context and transparency to prospective students on

diplomas listing the final degree are typically available 4 to 5 weeks after the end of the term to allow time for the Office of the Registrar to verify that all degree requirements have been completed (See [Semester Academic Calendar](#)). Prior to the date final transcripts and degrees are available, a student who completes all requirements may request an official "Pending Conferral Letter" from the Office of the Registrar.

Academic records will be locked upon degree conferral. Under no circumstances will changes be made to the academic record after a degree has been conferred.

~~When all degree requirements have been completed, a degree must be awarded and completed in the term that it is brought to the attention of the Office of the Registrar. Students cannot request a delay in awarding a degree once all degree requirements have been satisfied.~~

## [GR Policy](#)

### Degree Conferral Policy

~~Academic records are final upon degree conferral. Under no circumstances will changes be made to academic record after degree conferral.~~

UNC confers degrees after the conclusion of the Fall, Spring, and Summer terms. The official date of conferral will be listed on official transcripts and diplomas. The conferral date is either the date of commencement (for Fall and Spring semesters) or the last day of the Summer semester. Transcripts and diplomas listing the final degree are typically available 4 to 5 weeks after the end of the term to allow time for the Office of the Registrar to verify that all degree requirements have been completed (See [Semester Academic Calendar](#)). Prior to the date final transcripts and degrees are available, a student who completes all requirements may request an official "Pending Conferral Letter" from the Office of the Registrar.

Academic records will be locked upon degree conferral. Under no circumstances will changes be made to the academic record after a degree has been conferred.

Subject:Course Late Add –

A course late add will only be approved with evidence of extenuating circumstances beyond the student's control that kept the student from adhering to the published deadline. Student lack of knowledge of the published deadlines does not warrant a petition.

To submit a petition:

- x A student must have been academically engaged in the course on or before the drop deadline for the petition to be considered.
- x The petition must include a written statement describing the circumstances that kept the student from adding the course prior to the deadline. A petition submitted without a reason will be denied.
- x All required signatures must be obtained.

Students receiving financial aid are responsible for contacting the Office of Financial Aid to understand how this will affect their award amount.
