Course Requirements

Students are expected to attend class regularly, log on daily to our course website and check their university e-mail frequently in order to keep up with announcements and to ensure that all tasks are completed. Your grade is based on your combined score for the following activities:

- Exams (Midterm 20%, Final Exam 20%). Exams may take the form of essays completed at home and submitted on a given date. Make-up exams will be given at the instructor's discretion. If an exam is missed due to unforeseen circumstances such as illness or family emergency, arrangements will be made so no penalty is imposed, but only if the legitimacy of the missed exam is adequately documented AND the instructor is contacted within 24 hours of the examination date. All make-up exams must be taken within one week after the exam. Otherwise, the student will receive a "O" for that exam.
- 30% Assignments and activities.
- 20% Project.
- 10% Attendance and participation. Attendance will be taken during all class meetings. Your presence or absence will be combined with observations of your participation during class to determine your participation and attendance grade. You should exhibit preparation for class (completed readings or assignments) and engaged participation in class activities and discussion.
