

College of Natural & Health Sciences  
Department of Earth & Atmospheric Sciences

Summer 2024 – 3 credits  
Travel dates: May 9 – 18, 2024

---

participants must first obtain medical clearance from their doctor or UNC Health Services prior to departure. Furthermore, due to the fast-changing nature of severe weather, all participants must be physically able to load and unload the vehicle in an expeditious manner. All students must have passed a vehicle loading/unloading test and completed it in less than 30 seconds.

---

It is the policy and practice of the University of Northern Colorado to create inclusive learning environments. If there are aspects of the instruction or design of this course that (cont.) present barriers to your inclusion or to an accurate assessment of your achievement (e.g. time-limited exams, inaccessible web content, use of videos without captions), please communicate this with your professor and contact Disability Support Services (DSS) to request accommodations. Office: (970) 351-2289, Michener Library L-80.

PLEASE NOTE        STUDENTS MUST MEET THE PHYSICAL FITNESS REQUIREMENTS (see *Health & Physical Fitness Expectations*) FOR THE SAFETY OF THE ENTIRE CLASS.

---

All students are expected to adhere to the University's *Student Code of Conduct*, designed to promote a safe and respectful learning environment. For more information about your rights and responsibilities as a UNC student see:

---

It is expected that members of this class will observe strict policies of academic honesty and will be respectful of each other. Any instances in which cheating, including plagiarism and unauthorized use of copyrighted materials, computer accounts, or someone else's work is determined, will be referred to Student Services and will be investigated to its full extent.

---

UNC will follow applicable legal requirements and federal, state, and county public health recommendations and mandates in all decisions related to university operations. All students and instructors in this course will comply with the most up to date guidance on public health requirements, such as use of masks.
