Open Admission 2023- 2024 Selection Process & Criteria:

Admission to the nursing program is different than admission to the University of Northern Colorado; there are two separate applications required.

Application to the University: www.unco.edu/admissions Use the code 'UNCnursing' to waive the application fee.

Application to the Nursing Program: https://nursingcas.liaisoncas.org/apply/

**It is highly recommended that ALL applicants to the UNC BSN programs first meet with a pre-nursing advisor to ensure you have all elements of your application complete. To meet with an advisor, you must be first admitted to UNC and have a bear number. You may still apply without completing this step, but please note that if you are missing any items your application will be rejected.

SELECTION PROCESS:

There are many components that go into our admission criteria that

- ENG 123 – College Research Paper
- FND 250
