1 vertebrae were sheared, because of the force. And she ended  
2 up develing (sic) what are, developing what are called  
3 annular tears in the discs in her back from the force, and  
4 I'll come back to that in a second. But first, let me tell  
5 you who we're going and why. Jacqueline Fulino-Hedden is

1 MS. SAPP: Yeah, my car just, I didn't even  
2 know if I hit the car (unclear - two words).

3 (End of audio recording.)

4 MS. ZOIS: Could you hear that? Okay. After pleading  
5 guilty in court she also answered a set of interrogatories  
6 initially back in June of 2012. And we asked her in that set  
7 of interrogatories . . . are you claiming that the Plaintiff  
8 did anything wrong in this case? Are you claiming that
