

International TransferView Interpreting the Report

Column A	Name of the college or university
Column B	Code used to identify the institution
Column C	<p>Course prefix</p> <p>Some schools do not use a prefix and numbering system; NCS indicates that we used a generic prefix.</p>
Column D	<p>Course number</p> <p>Some schools do not use a prefix and numbering system; NCS numbering system indicates that we used a generic course number.</p>
Column E	Name of the course
Column F	<p>UNC prefix</p> <p>Identifies the corresponding UNC academic unit</p>
Column G	<p>UNC course number</p> <p>A single "X" indicates university wide elective credit. A double "XX" indicates the course has been reviewed by departmental faculty as departmental elective credit. Courses evaluated as university wide or departmental elective credit may be substituted for degree requirements at the discretion of the major or minor advisor.</p>
Column H	<p>Number of U.S. credits that will be awarded</p> <p>If this column is blank, the credit value may not yet be determined. Credit values are verified when the official transcript is received.</p>
Column I	Name of the UNC course
Column J	<p>Attributes associated with the course</p> <p>"ISE" = study abroad course "TREV" = course reviewed by departmental faculty "LC" + a number indicates which area of the Liberal Arts Core will be satisfied (e.g. LC4, LC7, etc.) "LA" + a number indicates which area of the Liberal Arts Curriculum will be satisfied (i.e. LAA1, LAH4, LAIS, etc.) Other departmental attributes may exist (e.g. FLNG, HSEU, etc.)</p>
Column K	<p>The nation where the school is located</p> <p>If you have selected 'United States' as the nation, you will see the schools who issue the transcripts for a study abroad experience. For example, if you decide upon a Semester at Sea experience, the transcript is issued by Colorado State University.</p>
