6:00	Call to Order	J. Mithun
6:01	<p>Presidential Updates</p> <p>A. Bamboo Bikes- Bikes are expensive; maybe they will donate to us. Still interested in getting them to come in as guest speakers.</p> <p>B. Bookstore bags idea- for next semester we should order reusable bags similar to the ones we have now but a little thicker and have the bookstore use them when students pick up their textbooks. We can also have them put in a flyer about Student LEAF and/or facts/tips about being sustainable.</p> <p>C. We should partner with outdoor pursuits when they are hosting one of their bike repair workshops. People will have their bikes with them or can check out one of the bikes at outdoor pursuits and then we can do a bike scavenger hunt event and advertise the new bike racks at the same time. Next bike workshop one isn't going to be until next semester but other workshops are the second Wednesday of every month at 5pm. Camp kitchen workshop and star stories is on October 14th and map and compass is on November 11th.</p>	J. Mithun
